Administration

M.I.O. IS FORTUNATE TO HAVE PROGRESSIVE ADMINISTRATORS

Mr. Forrest Armock, our able and efficient Superintendent, is an indispensable part of Mio's smooth running school system.

Forrest N. Armock

Forever busy, Pauline Cournyer, the office secretary, takes care of a multiple of duties including correspondence and teachers' records.

Our principal, Mr. Charles Baker, gives instructions to Roma Sherwood, his student secretary. He is a capable advisor of the Student Council and a guidance counselor for the student body.

Mio High--is a school in which education is considered important. The Board of Education deals with the many problems that confront our school. We are grateful for the careful consideration given to each issue by the Board.

COWSLIP CORNERS

THE LOAFER

The Loafer goes to school each day,
And does no work at all.
He only goes to sit and watch,
The CLOCK upon the wall.
But when his course at school is done,
A job he'll want to find.
He'll want his boss to pity him,
And no one is that kind.
And when a job he cannot find,
He'll know he is astray.
The memories of the schoolroom CLOCK,.,
Will haunt him night and day.
So students brave I warn you now,
Don't ever waste a day.
Do your best in high school years,
And things will go your way.

Last day of school in 1960.
